#### KEEP LOOKING YOUNG

It's Easy-If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to jeel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimplex—a bil-ious look in your face—dull eyes with no sparkle. Your doctor will tell you mucty per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable com-pound mixed with olive cil to act on the liver and bowels, which he gave to

his patients for years.

Dr. Edwards Olive Tablets, the substitute for calonel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

Smash the Hubbell-Gillenwater Machine

# Too Raw

Why was it that Theodore Roosevelt in his Albuquerque speech failed to make any mention of the name of Frank A. Hubbell or Holm O. Bursum or to ask his hearers to vote the republican state ticket?

Hubbell and Bursum were both on the same platform with Colonel Roosevelt at the time he made his speech. Both of them rode in the automobile parade that preceded his speech.

Surely Colonel Roosevelt knew that Mr. Hubbell was a candidate for United States senator and that Mr. Bursum was a candidate for governor on the republican ticket. Colonel Roosevelt is always well informed on such matters.

Hubbell and Bursum are both in accord with Colonel Roosevelt's views on national questions. Both are opposed to the Adamson law and to the president's Mexican policy. Doesn't Colonel Roosevelt want republicans holding these views in office?

In Phoenix on Saturday Colonel Roosevelt made a special appeal for support for Judge Joseph H. Kibbev, republican candidate for senator from Arizona. In Albuquerque on Monday he refused to ask for support for Hubbell or Bursum, though they appeared on the same platform with him and rode in the same parade with

Colonel Roosevelt knew Judge Kibbey.

Colonel Roosevelt also knew Frank Hubbell and H. O. Bur-SHIIL.

Bursum has always been a strong Roosevelt man. Apparently, Roosevelt isn't a very strong Bursum man.

Do progressive, independent republicans grasp the significance of Colonel Roosevelt's silence regarding the candidacy of Hubbell and Bursum?

COLONEL ROOSEVELT HAS RETURNED TO THE REPUBLICAN PARTY, BUT HE CAN'T STAND FOR THE KIND OF REPUBLICANISM REPRESENTED BY FRANK HUBBELL AND H. O. BURSUM.
